## DANISH FOOD CULTURE

**Danish speciality:** øllebrød (a dish made of rye bread, sugar and non-alcoholic beer), vandgrød (porridge, usually barley porridge, made with water), gule ærter (split pea soup), etc

**Famous wine in Denmark:** Danish schnapps

There are three main meals in Denmark: breakfast and dinner are typically eaten at home, whereas lunch for practical reasons has to be eaten elsewhere and often consists of a packed lunch brought from home.

### Breakfast

Most adults drink coffee or tea and eat rye bread or white bread with cheese or jam.

### Lunch

Generally lunch is a cold meal consisting of slices of rye bread buttered and covered with for instance various kinds of sausage, sliced boiled egg or liver paste, a baked mixture of chopped pig's liver and lard of a spreadable consistency

### Dinner

There is two courses were served: a first course, for instance gruel, meat broth or sweet fruit soup, and a main course of meat or fish, always accompanied by potatoes and gravy.

## TRANSPORTATION

Most of Danish use bicycle as a main transportation to keep healthy and clean environment.

## WEATHER

Average temperature from 7 to 9 Celsius degree  
(Summer : 16 Celsius degree, Winter: -4 Celsius degree)
